Government of Rajasthan  
Energy Department

No.F.20(6)Energy/2010

Dated: 9.8.2011

AMENDMENT

D(T)  
11.8.11

The State Government vide notification No.F.20(6)Energy/2010 dated 19.4.2011 has notified Rajasthan Solar Energy Policy, 2011. In the said policy, Sub-clause 24.5 of Clause 24 "Completion Time Schedule for the Project" provide that the time schedule for completion for the Solar Power Plants, sanctioned under clause 5.1.6 & 5.1.8 subject to force majeure conditions will be as under:-

Type of Projects	-	Completion Time schedule
<b>SPV:</b>		
Up to 5 MW capacity	-	Within 15 months from the date of SLEC approval
More than 5 MW and up to 10 MW capacity	-	Within 24 months from the date of SLEC approval
More than 10 MW and up to 25 MW capacity	-	Within 30 months from the date of SLEC approval
<b>CSP:</b>		
Up to 25 MW capacity	-	Within 30 months from the date of SLEC approval
More than 25 MW and up to 100 MW capacity	-	Within 40 months from the date of SLEC approval

While formulating the Rajasthan Solar Energy Policy, 2011, the maximum capacity of 25 MW for SPV plants and 100 MW for CSP plants was envisaged.

Now, RREC has received a single project of 40 MW capacity (M/s Dahanu Solar Power Pvt. Ltd) under clause 5.1.6 from a Power Producer and it is also expected that the maximum capacity for single project in CSP category may be more than 100 MW. RREC has accorded in principle clearance for 40 MW SPV project as per Clause 11.1 of the Policy. As per clause 12.2, the Power Producer has to furnish the BG @ Rs. 20 lacs per MW. Since the completion time schedule for the project of more than 25 MW capacity is not provided in the Policy, the validity period of B.G. remains undefined.

In order to define the completion time schedule for capacity of more than 25 MW in SPV and 100 MW in CSP category, following amendment in the sub-clause 24.5 of the said Policy is hereby made :

*[Handwritten signature]*  
15/8

*[Handwritten mark]*

TM (S) 3  
18/8

(i) Following be added in the SPV table of clause 24.5:

More than 25 MW and up to 50 MW capacity	Within 36 months from the date of SLEC approval.
More than 50 MW capacity	Within 40 months from the date of SLEC approval

(ii) Following be added in the CSP table of clause 24.5:

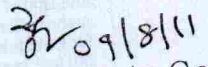

More than 100 MW and up to 200 MW capacity	Within 46 months from the date of SLEC approval.
More than 200 MW capacity	Within 50 months from the date of SLEC approval

By order,

  
(Subhash Pareek)  
Asstt. Secretary to Govt.
